MEDICAL USAGE AND WARNINGS

Medical usage and warnings

1. Company

UNREAL KINGDOMS (“UK” or the “ Company ”) is a brand name of EIGHT GALAXIES LIMITED, a Company incorporated in Cyprus under Registration no. HE 438664 and having its Registered Office at Avlonos 1, MARIA HOUSE, 1075 Nicosia, Cyprus and has established compliance measures commensurate with its services and products that are reasonably designed to deter and detect illicit activity on its platform. Such measures include onboarding and compliance screenings of its customers and transaction action-based controls.

2. Policy Statement

This policy outlines the medical usage guidelines and warnings for users accessing Unreal Kingdoms, a metaverse platform developed by Eight Galaxies. The policy aims to ensure user safety and awareness of potential health risks associated with the use of Unreal Kingdoms and VR/AR technologies.

Use of VR/AR Technologies

- Unreal Kingdoms utilizes Virtual Reality (VR) and Augmented Reality (AR) technologies to provide an immersive experience.
- Users should be aware that VR/AR technologies may cause discomfort or adverse reactions in some individuals.

Sensitivity to Fast and Flashing Movements

- Certain areas within Unreal Kingdoms may contain fast and flashing movements.
- Users with a history of epilepsy, seizures, or sensitivity to flashing lights should exercise caution and consult a medical professional before using VR/AR technologies.

- has a high likelihood of triggering epileptic seizures (for more information, consult [W3C Guideline 2.3: Seizures and Physical Reactions](#)); or

Risk Factors

- Users may experience nausea, dizziness, motion sickness, headaches, or eye strain while using VR/AR technologies.
- It is recommended to take regular breaks and discontinue use if any discomfort or adverse symptoms occur.

Medical Disclaimer

- Unreal Kingdoms and its parent company, Eight Galaxies, do not assume any liability for medical situations resulting from the use of or access to the metaverse.
- Users are responsible for their own health and well-being while using the platform.

User Responsibilities

- Users should read and understand the medical usage and warning policy before accessing Unreal Kingdoms.
- Users are encouraged to consult with a medical professional if they have any concerns about their health and the use of VR/AR technologies.

Parental Guidance

- Parents or guardians should supervise and guide minors in the use of VR/AR technologies within Unreal Kingdoms.
- Parental controls are available to restrict access to certain areas and content.

Reporting and Support

- Users can report any medical incidents or concerns to the Unreal Kingdoms support team.
- The support team will provide assistance and guidance as needed.

Amendments

- Unreal Kingdoms reserves the right to amend this Medical Usage and Warning Policy at any time. Users will be notified of any changes through official communication channels.

Additional Terms and Protections

- By accessing Unreal Kingdoms, users agree to the terms and conditions outlined in this policy.
- Users acknowledge that they have read and understood the medical usage and warning policy and assume all risks associated with the use of VR/AR technologies.
